AFFIRMATION OF PRIOR ENROLLMENT

Virginia law requires that, prior to admission to any public school in the Commonwealth, the School Board shall require the parent, guardian, or other persons having control or charge of a child of school age to provide, upon registration, a sworn statement of affirmation indicating whether the student has been expelled from school attendance at a private school or in a public school division in the Commonwealth or in another state for an offense in violation of school board policies relating to weapons, alcohol, drugs, or for the willful infliction of injury to another person. Any person making a materially false statement or affirmation shall be guilty, upon conviction, of a Class 3 Misdemeanor. The registration document shall be maintained as a part of the student's scholastic record. (Code of Virginia 22.1-3-2)

PLEASE COMPLETE AND SIGN THE APPLICABLE STATEMENT BELOW

I, _____, affirm that _____ **has not been expelled** from school attendance at a private school or public school in Virginia or another state for any offense in violation of school board policies relating to weapons, alcohol, drugs, or for the willful infliction of injury to another person.

POLICY FOR ADMINISTRATION OF MEDICATION AT SCHOOL

Whenever possible, the parent or guardian should make arrangements so that medication can be administered at home, before or after school. However, there may be circumstances when it is necessary for a student to take medication during school hours. If this is necessary, the following will apply:

1. Medications are administered by or under the supervision of the Registered Professional School Nurse. The Registered Professional School Nurse is licensed by the Commonwealth of Virginia and practices under the *Nurse Practice Act of Virginia*. The *Nurse Practice Act* specifically states that medications (prescription or non-prescription) may be administered only if they have been prescribed by a legal licensed practitioner (i.e., physician, dentist, nurse practitioner). For this reason, a medication permission form, signed by the licensed practitioner, is required for all medications administered at school along with written permission from the parent or guardian.
2. If your child has a chronic condition (i.e., headaches, menstrual cramps, orthodontic appliances, seasonal allergies) for which he/she usually takes over-the-counter (OTC) medication (i.e., *Tylenol*, *Advil*, *Benadryl*, etc.), the medication permission form can be obtained from the licensed practitioner prior to the beginning of each school year. The form can be mailed to the practitioner's office, along with a self-addressed, stamped envelope. The form can then be returned to you in the envelope. The completed form should then be brought to school along with the medication in its original container with proper labeling. No medication will be accepted in baggies, envelopes, tissues or plastic wrap.
3. Parents also have the option of having their licensed practitioner fax the medication permission to the school nurse at the appropriate school. Please notify the school nurse when you are sending a fax related to your child's medications. Telephone numbers for schools are as follows: New Kent Elementary School (formerly New Kent Primary School) - 966-9663, G. W. Watkins Elementary School - 966-9660, New Kent Middle School - 966-9655, and New Kent High School - 966-9671.
4. For prescription medicines, please ask the licensed practitioner to request two (2) bottles on the prescription order form (one for the home and one for the school). This will provide both the parent/guardian and the school with properly labeled containers needed to safely dispense medications.
5. Students who have asthma and are prescribed inhalers should request the licensed practitioner order two (2) inhalers on the prescription—one to remain at home and one to remain at school at all times. This will prevent the inhaler not being readily available when needed at school.
6. Please be sure to read your child's student handbook carefully. It contains information regarding the possession of medications (prescription or non-prescription) without written permission of the parent/guardian and licensed medical practitioner. Students found in possession of unauthorized medications are subject to disciplinary actions.

If you have any questions regarding New Kent County Schools' medication administration policy, please feel free to contact your child's school nurse. Medication permission forms can be obtained in all school clinics.

Please see Policy JHCD and Regulation JHCD-R for additional information.

Dear Parents,

On behalf of our School Board and our staff, I would like to extend my personal welcome to a new school year. We know that keeping parents informed and involved helps to assure student safety and improve student success and we are committed to providing parents with important information in a timely manner. It is for this purpose that our division utilizes a system called Blackboard Connect.

Blackboard Connect is a tool for notification and communication. As an emergency notification system, within minutes of an emergency school officials can use Blackboard Connect to deliver a single, clear message to students, parents or guardians by telephone, cell phone, e-mail, pager or PDA in any combination. For more routine, school-specific notification purposes, you may also receive notification by these same means based on your individual preferences.

Blackboard Connect is Internet based and allows each family to maintain a secure, password protected online profile. New Kent County Schools and Blackboard Connect will not sell, rent, loan, trade, or lease any personal information for anyone listed in the system. Both Blackboard Connect and New Kent County Schools will use the utmost care in protecting the privacy and security of your information. Included in this letter is an instruction sheet for accessing the system and managing your profile. You can log into your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the division to keep you informed. It is important that you understand that updating your profile in Blackboard Connect does not affect the division's student records. You should always notify your child's school of any important changes in contact information including changes in e-mail address, work phone or emergency contact information.

Initial information on your child will be uploaded from our student information system. This information includes the student's legal name, grade and the home area code and telephone number currently on file in our database. The system is ready for your access at <https://nkcps.bbcportal.com/>. Please follow the instructions on the accompanying page to access your information. We encourage all of you to take advantage of this opportunity. In order to assist those who do not have Internet access in the home and those who need help with the initial contact list setup, please contact the main office at your child's school.

Sincerely,

David A. Myers, Ph.D.
Superintendent

NKCPS Blackboard Connect Portal

In order to ensure efficient communication between the schools, parents, and staff regarding general announcements and emergencies, New Kent County Public Schools is utilizing a new program called Blackboard Connect. This will allow the schools to quickly send out messages via phone, email, and text messaging. One of the features of this system is the ability for you to identify which contact numbers and emails will be used to contact you via Blackboard Connect. All parents' home phone numbers and emails are initially entered into the system by the schools. If you would like to adjust your personal settings, this guide will lead you through the steps of setting up your account and making adjustments to best meet your preferences.

Our hope is that by providing this service we may strengthen the lines of communication between the schools and the New Kent Community. If you have any problems with your account, you may contact your child's school secretary for assistance.

Signing Up!

1. Go to <https://nkcps.bbcportal.com/>
2. Click Sign Me Up!
3. Fill out the information in the given fields and click Continue.
4. A Confirmation email from noreply@blackboard.com will be sent to the email address you have provided. Click the link provided in the email to be redirected to a security page where you select and answer your security questions. These questions will be used in the event you forget your password.

NOTE: Your password must include at least 8 characters. You must include at least one number and one capital letter in your password. Spaces and special characters are not permitted.
